From New York

NJ Turnpike South Exit 11 (Garden State Parkway).
Take GSP South to exit 123 (Rt. 9 South). Passing all
toll booths, stay to right (local lanes). Grand Marquis is
located 3 miles south on Rt. 9 on the right hand side of
the highway.

From Staten Island, Long Island, Brooklyn

Belt Parkway to Verrazano Bridge. Rt. 278 to Rt. 440
to Outer Bridge to NJ. Follow signs to Garden State
Parkway South to Exit 123, to Rt. 9 South. Grand
Marquis is located 3 miles south on Rt. 9 on the right
hand side of the highway.

From Philadelphia, Camden

Walt Whitman Bridge to NJ Turnpike North to Exit 8.
Take highway 33 East until highway splits, bear right to
Rt. 9 North. Proceed approx. 15 miles, make U-turn
on Old Mill Road. Grand Marquis is on the South side
of Rt. 9.

From South Jersey

Garden State Parkway to exit 120. Make a right at the
end of the ramp. Make a right at first traffic light. Go
to end and make a left. Go to end and make a right
onto Rt. 34 North. Follow Rt. 34 North to Rt. 9
South. Take Rt. 9 South to Grand Marquis, located at
the 2nd traffic light, on the right.

**CORRECT ADDRESS REQUESTED
FORWARDING ADDRESS REQUESTED**

Dr. Gangwani is an Associate Professor and Residency Program Director in the Department of Oral and Maxillofacial Surgery at Temple University Kornberg School of Dentistry. She is a Diplomate the American Board of Oral and Maxillofacial Surgery and a Fellow of the American Association of Oral and Maxillofacial Surgeons and American Academy of Craniomaxillofacial Surgeons.

Dr. Gangwani earned her Dental Degree from NYU College of Dentistry. She completed an Internship in OMS at Thomas Jefferson University Hospital and her residency training in OMS at St. Joseph's University Medical Center.

Her expertise in practice includes corrective jaw surgery, reconstructive surgery, facial trauma, complex hard and soft tissue grafting, dentoalveolar and dental implant surgery, and management of patients with oral and facial pathology and TMJ dysfunction.

Dr. Gangwani is a recipient of the prestigious OMS foundation 2024 Faculty Educator Development Award (FEDA) and 2024 Daniel Laskin Award for the best paper published in the Journal of Oral and Maxillofacial Surgery in the year 2023. She was recently awarded the OMS foundation research support grant to conduct a clinical study on marijuana use and anesthesia.

Dr. Gangwani also holds a Master's Degree in Public Health Epidemiology from the University of North Texas Health Science Center. She has a particular interest in clinical research and has served as an author of several book chapters and articles in peer-reviewed journals. She is an Associate Editor for the Journal of Oral Surgery, Oral Medicine, Oral Pathology and Oral Radiology.

This Course will discuss:

- 1) How marijuana use affects anesthetic requirements and vital signs during ambulatory oral and maxillofacial surgery procedures?
- 2) Use of propofol pump in achieving desired depth of anesthesia
- 3) Addition of dexmedetomidine and removing fentanyl during ambulatory procedures
- 4) Opioid free anesthesia and post-op recovery

Course Outline Wednesday, October 8, 2025

8:15 – 9:00 Registration and Continental Breakfast
9:00 – 12:30 Morning Lecture
12:30 – 1:30 Lunch
1:30 – 5:00 Afternoon Lecture

This NJDSA Course offers **seven (7)** Continuing Education credit hours for NJ Dental License renewal.

This course is suitable for Oral and Maxillofacial Surgeons, Dental Anesthesiologists, Anesthesia providers, office staff and assistants.

Please check your membership status. You will be registered as a non-member if you are not on the ADSA membership list.

Your office anesthesia evaluation must be performed every **five years**. You are responsible to have it completed and to send the evaluation report to the State Board of Dentistry.

To receive the **full seven (7)** credit hours, a course evaluation form will be provided at lunch hour to be completed and signed by the attendee and must be submitted to the reception desk so as to compliment the a.m. sign in. If you only have signed in the a.m., **only four (4)** credit hours will be issued. Certificate of attendance will be mailed to the attendee after the correlation of signatures.

Save the Date – Future Meeting

May 6, 2026 Scientific Session

Speaker: To Be Announced

**Please visit our website one week after the meeting
to download the lecture handout:**

AED Rebate Program

- The AED rebate program is available only to regular NJDSA members who have paid full membership dues for the year prior to their request.
- Documentation will need to be provided from the ADSA's web site to show the active member status of the rebate applicant.
- A copy of a paid receipt for a new AED will need to be provided, not for reprogramming of an older model or supplies purchased.
- A photograph or photocopy of the back of the new AED needs to be provided showing the unit's serial number to be verified on the purchase receipt.
- One AED rebate per member per year.

Sim Man & Anesthesia Assistant Incentives

- The tuition stipend program is available only to regular NJDSA members (or their assistant employees) who have paid full membership dues for at least one the year prior to their request for this member benefit.
- A tuition stipend of:
 - \$100 is contingent upon the doctor's successful completion of a "Sim Man" course provided through the ADSA
 - \$75 is contingent upon the successful completion of the 2 day anesthesia assistant course provided through the ADSA
- Documentation will need to show that full course tuition was paid to the ADSA for the course.
- The applicant needs to provide a copy of the certificate showing successful course completion with the awarding of 4-4.5 hours of CE credits for the "Sim Man" course or the CE certificate of completion in the case of the anesthesia assistant program.
- One each tuition stipend per member.

Please send Rebate & Incentive information by mail only to:
