FORWARDING ADDRESS REQUESTED**

Stuart E. Lieblich, DMD

Dr. Lieblich graduated from Rutgers University and the University of Pennsylvania School of Dental Medicine (1981). He completed his residency in oral and maxillofacial surgery at Kings County /Downstate Medical Center in New York. In 1984 he assumed a full-time position on the faculty of the University of Connecticut until 1988. Currently, he is in private practice in Avon, CT and maintains a part-time teaching appointment at the university as a clinical professor. Previously he has served as president of the American Dental Society of Anesthesiology and the American Board of Oral and Maxillofacial Surgery. Dr. Lieblich is on the editorial boards of Anesthesia Progress and Journal of Oral and Maxillofacial Surgery and “Triple O”. He serves on many local, state and national committees in his specialty and currently is a member of the American Dental Association’s Commission on Accreditation (oral and maxillofacial surgery) and the American Association of Oral and Maxillofacial Surgeons Parameters of Care Committee (chair, Dentoalveolar surgery section). He has contributed to over 20 textbooks and co-authored the text “Anesthesia Complications in the Dental Office”. Dr. Lieblich is the medical director of Oral and Maxillofacial Surgery/Pediatric Dentistry at Connecticut Children’s Medical Center.

Avoiding Complications in Ambulatory Anesthesia: Hey Let's be Careful Out There

The provision of outpatient anesthesia is an important aspect of the practice of oral surgery. Although improvements in medications and monitoring have occurred through the years complications are still a rare, but present factor in patient care. This program will review the issues of patient selection, medication selection along with a discussion of practiced emergency drills for the doctor and the anesthesia team. Through actual case presentations the recognition of complications and coordinated team responses will be reviewed. The final section of the program will be a discussion of the use of opioids in our practices. Pain control strategies from perioperative through to postoperative pain management will be reviewed.

Course Outline Wednesday, May 4th, 2022

- 8:15 – 9:00 Registration and Continental Breakfast**
- 9:00 – 12:30 Morning Lecture**
- 12:30 – 1:30 Lunch**
- 1:30 – 5:00 Afternoon Lecture**

This NJDSA Course offers **seven (7)** Continuing Education credit hours for NJ Dental License renewal. Please check your individual requirements. This course is suitable for Oral and Maxillofacial Surgeons, Dental Anesthesiologists, Anesthesia providers, office staff and assistants. Please check your membership status on address field of this mailing (**member vs. non-member**). You will be registered as a non-member if you are not on the ADSA membership list. Your office anesthesia evaluation must be performed every **five years**. You are responsible to have it completed and to send the evaluation report to the State Board of Dentistry. To receive the **full seven (7)** credit hours, a course evaluation form will be provided at lunch hour to be completed and signed by the attendee and must be submitted to the reception desk so as to compliment the a.m. sign in. If you only have signed in the a.m., **only four (4)** credit hours will be issued. Certificate of attendance will be mailed to the attendee after the correlation of signatures.

**Save the Date – Future Meeting
October 5th, 2022 Scientific Session
Speaker and Topic to be Determined**

Please visit our website one week prior to the meeting to download the lecture handout:

WWW.NJDSA.ORG

This course will satisfy NJ Board of Dentistry requirement for three hours of pharmacology and internal medicine and one hour in prescription opioid drugs.

New Jersey Dental Society of Anesthesiology

AED Rebate Program

- The AED rebate program is available only to regular NJDSA members who have paid full membership dues for the year prior to their request.
- Documentation will need to be provided from the ADSA’s web site to show the active member status of the rebate applicant.
- A copy of a paid receipt for a new AED will need to be provided, not for reprogramming of an older model or supplies purchased.
- A photograph or photocopy of the back of the new AED needs to be provided showing the unit’s serial number to be verified on the purchase receipt.
- One AED rebate per member per year.

Sim Man & Anesthesia Assistant Incentives

- The tuition stipend program is available only to regular NJDSA members (or their assistant employees) who have paid full membership dues for at least one the year prior to their request for this member benefit.
- A tuition stipend of:
 - \$100 is contingent upon the doctors successful completion of a “Sim Man” course provided through the ADSA
 - \$75 is contingent upon the successful completion of the 2 day anesthesia assistant course provided through the ADSA
- Documentation will need to show that full course tuition was paid to the ADSA for the course.
- The applicant needs to provide a copy of the certificate showing successful course completion with the awarding of 4-4.5 hours of CE credits for the “Sim Man” course or the CE certificate of completion in the case of the anesthesia assistant program.
- One each tuition stipend per member.

Please send Rebate & Incentive information by mail only to:
